372nd Infantry Area,
Fort Dix, N. J.

Dear Colonel:

I am writing to enclose tickets for Opening day for you, Colonel Gilbert and Capt. Henderson. If there will be more than these six tickets in your party, let me know right away.

I have received a reply from Mr. Bethards in Burling and will seat him in the same box with you. I am saving seats for your other friends in the same box.

I saw The Eagles play in Washington last Sunday and I think we have a good team. I certainly hope they won't repeat the performance of last year.

I am looking forward to seeing you. Keep your fingers crossed for a nice day.

Very truly yours,
